CON LA LINEA MATERIA, L'ELEGANZA DIVENTA QUOTIDIANITÀ.

WITH THE MATERIA LINE, ELEGANCE BECOMES EVERYDAY.

Materia l'evoluzione più innovativa e dinamica tra le nostre proposte: cestelli e colonne attrezzate che plasmano e ridisegnano i tuoi spazi, donandoti la possibilità di gestire in modo confortevole e funzionale le tue esigenze in cucina. Le nuove finiture e materiali, creati per dialogare con i colori e il design dei nuovi ambienti domestici, esaltano la propensione verso uno stile contemporaneo nel quale cromie Hi Tech si mescolano alle tinte naturali, creando un gusto estetico raffinato. Tutti gli articoli sono curati nel più piccolo dettaglio. Lo stile, dalle linee, estremamente pulite e rigorose, è frutto del concept di un famoso e riconosciuto designer. La modularità e l'usabilità, soprattutto per la fase di montaggio, fanno il resto, contribuendo ad arricchire di valore e sapienza produttiva una gamma di soluzioni che rappresenta a pieno la nostra capacità progettuale. **Materia, plasmare l'evoluzione.**

Materia, the most original and dynamic evolution among our proposals: baskets and supplied columns that shape and redesign your spaces, giving you the chance to manage your needs in a more functional and comfortable way in the kitchen. The new finishings and materials are made to agree with colors and design of the new domestic environments and they intensify the bent towards a contemporary style where chrome Hi Tech merge with the natural shades, creating an attractive and refined taste. All articles are handled in every single detail. The style, with very rigorous and extremely clear lines, is the concept result of a well-known and recognized designer. The modulation and use, especially in the assembling process, makes the rest by contributing to enrich the value and productive know-how of a range of solutions which fully represent our planning ability. **Materia, shaping the evolution.**
