REV. 02/2019

CON LA LINEA PRO LA LINEARITÀ DELLE FORME DIVENTA ERGONOMIA NELLO SPAZIO.

THE CLEAR LINES OF PRO LINE MAKE THE KITCHEN SPACE MORE ERGONOMIC

Creazioni che completano una cucina in cui la linearità trova il suo utilizzo più ergonomico.
Lamiera verniciata con il giusto equilibrio tra minimalismo e design. Linee che non perdono mai di vista il giusto equilibrio e il design nei dettagli che vanno a completare lo spazio e a trovare la loro massima applicazione. I complementi in plastica vanno ad identificare un tocco tutto personale e a soddisfare ogni esigenza dell'utente. **Linea Pro... Qui ogni spazio ha il posto.**

This new concept defines all kitchens clear lines in a more ergonomic way.
Painted metal sheet, with a good balance between minimalism and design. Fluid lines with an eye to a nice manage of details' design which find their greatest application in the kitchen environment. The plastic components give a more personal touch and help to satisfy the client.
Pro Line: everything has its own place.
