CON LA LINEA GOCCIA A GOCCIA
IL FASCINO DELLA TRADIZIONE SPOSA L'INNOVAZIONE

WITH THE GOCCIA A GOCCIA LINE,
THE CHARM OF TRADITION IS TEAMED WITH INNOVATION

Una produzione storica, oggi ripresa ed ampliata, che, come in tutte le storie di successo, testimonia con determinazione l'intraprendenza del passato e la solidità del futuro. Un percorso che viene da lontano e si rinnova costantemente in perfetto equilibrio tra funzionalità ed estetica. Goccia a Goccia nasce per rispondere in modo pratico alle necessità di qualsiasi cucina. Pensili e griglie dalle linee morbide, rigorosamente in acciaio inox, fatti per durare e per servire al meglio i più esigenti bisogni di ordine e pulizia. L'inesausto desiderio di sperimentazione trova la sua strada in soluzioni dall'estetica gradevole che uniscono lo studio accurato dei dettagli al confort nell'utilizzo. Così è per il sistema di illuminazione a led: facile da installare e da sostituire, facilita la razionalizzazione degli spazi, contribuendo, in modo intelligente e piacevole, al rispetto dell'ambiente e al risparmio energetico. **Goccia a Goccia, modernità e passione sempre insieme a voi.**

An historic production, now taken over and expanded, which, like all success stories, testifies with determination to the entrepreneurial flair from the past and the solidity of the future. A journey that started way back and which is constantly renewed in a perfect balance of functionality and styling. Goccia a Goccia is the practical answer to the needs of any kitchen. Wall units and racks with a soft silhouette, strictly made of stainless steel, built to last and to serve the most demanding requirements for tidiness and cleanliness. The untiring desire to experiment finds the ultimate satisfaction in solutions featuring a beguiling design, which teams painstaking care for detail with convenience of use. The same applies to the LED lighting: easy to install and replace, it facilitates the rational use of space, in a clever and pleasant manner, while respecting the environment and ensuring energy savings. **Goccia a Goccia, modernity and passion, with you at all times.**
